## ARTĚL CELEBRATES MIKULÁŠ (IN STYLE)

PRAGUE, CZECH REPUBLIC – Locals and visitors alike will be enchanted by the celebrations surrounding the Eve of St. Nicholas Day (Mikuláš)—from the wandering, costumed figures to the songs and sweets.

Artěl, in Staré Město, will be celebrating this special day, too, and we hope you will join the festivities. On December 5th, between 16:00 and 20:00, the design shop will host an event for the young (and the young at heart) to honor the beloved Czech holiday.

The traditional cast of characters—an Angel, a Devil and St. Nicholas himself will be on hand to greet guests and hand out treats. Children will receive a small gift bag with a chocolate Mikuláš, a potato, a mandarin, and, of course, a bit of coal (no one is perfect). Guests are invited to revel in the joy of the season and experience this unique holiday. Visitors will also enjoy a 10% discount in the Artěl Design Shop for one day only to kick off the holiday season.

Holiday cheer, *Artěl Style*.
