CLASSIC

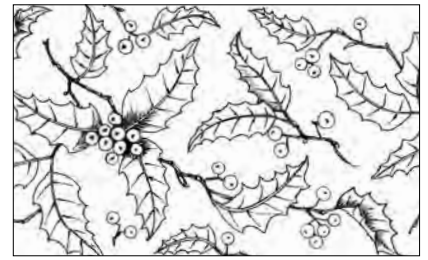

When it comes to decorative choices for the holiday season, the guiding rule has always been simple – make it festive! A classic choice is our *HOLIDAY* collection, a set of four unique motifs featuring joyful depictions of classic holiday themes; sets include one glass with each of the following designs:

- *CANDY CANES* • *ORNAMENTS*
- *HOLLY* • *SNOWFLAKES*

One of these striking designs (*HOLLY*) features finely detailed hand-engraving and the other three are expertly hand-sandblasted, resulting in a delightfully seasonal “frosted” appearance that contrasts beautifully with the smooth crystal and is very satisfying to the touch. Each design is offered in a wide range of vibrant colors, allowing countless combinations of customized mix-and-match options for holiday gift-giving or home décor.
